at St. Mary's Church—Village Hap-
penings.

Friday's issue of the Catholic Trans-
cript, which is published at Hartford
and is the official organ of the dioc-
ese of Hartford, has the following to
say of the Rev. William A. Keefe, who
was recently transferred from the as-
sistant pastorate of St. Mary's church
to a pastorate in Voluntown.
"The Rev. William A. Keefe leaves
Norwich for St. Thomas, Voluntown,
after an active curacy at St. Mary's.
He is a native of Ferrisburgh, and
studied at the public and high schools
of Waterbury. His higher studies
were made in Holy Cross college, Wor-
cester, the Grand seminary, Montreal,
and the American college, Louvain,
Belgium. After filling curacies in St.
Anne's, Waterbury, St. Augustine's,

LADIES' MINSTREL SHOW
Given by Girls' Friendly Society En-
joyed by Over 300 People.

The members of the Girls' Friendly
society of St. Andrew's church may
well feel proud of the ladies' minstrel
show that was given under their aus-
pices Friday evening at Union Hall.
The programme, which was especially
entertaining, contained high class
pieces and passed off without a hitch.
The opening song was given at 8
o'clock, but long before that time the
place was well filled with people. It
was estimated that there were present
considerably over 300 persons, and ev-
erybody expressed themselves as being
delighted with the entertainment given
them.
John W. McKinley was master of
ceremonies and made the usual pleas-
ing announcements in his usual pleas-
ing manner.
The following was the programme:
Solo, "Wilhelmus," Miss Gladys Eli-
ott; solo, "When the Daisies Bloom
Again," Miss Mary Gray; song, "When
Teddy Comes Marching Home," chorus;
parody by the end women; trio, "Silver
Bells," Misses Carrie Bowker, Lucella
M. Athens, Mildred Kendall; song, "Any
Little Girl," chorus; Italian Love Song,
Miss Irene Greiner; solo, "Ducky
Queen's Good Night," Miss Maud Baker;
song, "Southern Medley," chorus.
There was a sale of ice cream, cake
and soda water, and following the en-
tertainment dancing was enjoyed until
12 o'clock.
**Congregational Church Chorus Hold
Monthly Social.**
The regular monthly social given by
the chorus of the Congregational church
that took place Friday evening at-
tracted a very good crowd. A most en-
joyable evening was spent by all with
games and refreshments and music by
the chorus. The special committee in
charge was made up of the following:
Kenzie, Ethel Carpenter and Maude
Crowe and James L. Heap and Kirk
Hickok.
Miss Elizabeth Crowe is in charge
of the work of the chorus and under
her able leadership splendid progress
has been made.

James Mullen Had Lucky Number.
The box of cigars that was raffled off
Friday evening at 7:30 o'clock at James
Mullen's news stand, was won by
James Mullen of No. 37 Ninth street,
with the ticket numbered 515.

More Oil for Greenville Streets.
A generous supply of oil was placed
on North Main street, just above the
car barn, Friday morning, and should
conditions warrant it, more will be
coming this way later on.

Heavyweights vs. Lightweights.
The Heavyweights of Greenville
will line up against the Lightweights
football eleven on the Shetucket cam-
pus at three o'clock this (Saturday)
afternoon, and an interesting game is
looked forward to by all concerned.
The Heavyweights will appear in their
new football togs, which were received
last night, and ought to make a good
appearance. The sweaters are of blue,
with stripes on the arms, and the
stockings are of the same color. Denis

DR. P. J. CASSIDY READ PAPER
In Absence of Dr. J. G. Stanton Who Had Prepared
it on Infantile Paralysis—Local Doctors Present.

The semi-annual meeting of the New
London County Medical society at
New London Thursday was a most in-
teresting session of the men learned
in medicine, and all who attended it
were benefited by what they heard
from the gentlemen who read papers
and those who discussed them. Dr. P.
J. Cassidy of Norwich read an excel-
lent paper on infantile paralysis which
had been prepared by Dr. J. G. Stanton
of New London, who was not able to
be present. It told of that disease and
its symptoms and traced its origin so
far as it can be traced in the light of
facts now at hand. It is believed that
the disease first appeared in Finland,
Sweden and Norway, later in New
York and Boston, then in Minnesota
and later in the east. There is a strong
belief that the disease was brought
to this country by Scandinavian emi-
grants.
Drs. Graves and Ferrin discussed
the paper very fully and in an in-
teresting manner, especially in their
description of the disease. The dis-
ease is often not discovered until the
symptoms are so slightly developed
that very young children are the victims in
a great majority of cases.
Dr. Black exhibited a map of New
London on which were delineated the
districts where the disease had occurred.
He declared that there had not been
two cases in the same family in New
London, though fourteen cases had
been reported.

OFFICERS CHOSEN
BY ACADEMY GLEE CLUB.
First Appearance at Opening Exercises
Friday Morning.

Friday the Academy Glee club made
its first appearance, when it led the
singing in Slater hall, where the school
assembly was held. The club, which
met on Tuesday and Friday mornings, the sing-
ing pleased all. They will probably be
assisted by the Musical club later on
in the season.
Director Aultman has many new
songs which will please the public
when the concerts are given. There
are 29 candidates for the club, out of
which 24 will be selected.
As a result of the annual election
Robert Church was elected president
and Roy Swan manager. Franklin
Lund was chosen librarian for 1910.
The Girls' Glee club, which
started last year, has begun in earnest
this year and a successful season is
anticipated.

cullen of Prospect street, is confined

Francis' hospital, Hartford, is visiting

Murphy on Central avenue.

enjoying a pleasant few days in Bos-
ton. While away she attended the
Brookton fair one day.

**Encouraging Report for Month of Sep-
tember.**
Principal F. J. Working's report of
the work done at the Weequonoc
school for the month of September is
eminently satisfactory to all concerned.
The attendance has been extra good,
even better in proportion to the regis-
tration than usual. Of the entire body,
96.52 per cent, have been in daily at-
tendance, and 155 were neither absent
nor tardy.

**Letters Advertised at Taftville Post-
office.**
Letters addressed to the following
persons have been advertised at the
Taftville postoffice for the week ending
Oct. 8, 1910: Mrs. C. S. Eastright, Mrs.
Robert Desroches (2), Laura De-
roches, Mr. Henri Gangon, Melie Oliva
Lodoux (2), Mons Joseph Ledoux, Rose
Anna Lavigneux (2), Mr. Joseph La-
voie.
Rain Halts Work at Reservoir.
The large body of men employed at
the Taftville reservoir were obliged to
quit work at about 2 o'clock on Fri-
day because of the continued rain.
The work at the reservoir is progress-
ing in a satisfactory manner.

Left for New Bedford.
Pierre Larriere, who has resided on
Norwich avenue for some time past,
left here on Friday for New Bedford,
Mass., where he has accepted a posi-
tion as weaver in the mill and where
he expects to make his home in the
future.

Brief Personal Notes.
Mrs. Edmund Dequaint of Worcester,
Mass., is visiting at the home of
her mother, Mrs. Solomon Lambert,
of Providence street.
W. E. Baldwin of Norwich avenue
spent Wednesday and Thursday at-
tending the Brookton fair. He return-
ed home on Friday.

Henry Tolson of Merchants' avenue
left Friday noon for Fall River, Mass.,
where he will spend a few days with
relatives and friends.
BALTIM
Alex Dupont, who suffered a slight
stroke last week, is no better.
J. P. Brown has entered the employ
of a life insurance company.

Winston, Samuel A. Herman of
Winsted was appointed corner
Litchfield county Thursday in the
place of Richard T. Higgins of Winst-
ed, who resigned that office upon re-
ceiving his appointment to the office
of railroad commissioner.

Dr. A. W. Nelson reported the first
case last February. One case occur-
red in a house where there were thirty
children residing, and the child that
was ill with the disease had been sick
several days before the disease was
recognized. Still there was no other
cases of the terrible malady in that
house. Notwithstanding, it is an in-
fectious disease. The percentage of
deaths is about one in ten. Some of
the survivors are permanently paral-
yzed.
Dr. Nelson states that infantile pa-
ralysis is not the same disease as cere-
bro spinal meningitis.
As for the cure for the disease, phy-
sicians are uncertain, but the spraying
of the nostrils of the throat where
children are sick or where they have
been exposed with peroxide of hydro-
gen is beneficial. As far as the opinion
of physicians goes mercurials are es-
pecially beneficial in this disease.
Among the first symptoms of the dis-
ease are pains in the ear and jaw.
There were about twenty-five doctors
present at the meeting, representing
New London, Norwich, Stonington,
Groton, Montville and Mystic.
Dr. Gray of Mystic read a paper on
biliary calculi that was interesting.
He held that healthy people were more
subject to the disease than were the
lean.

WANT GERMAN DAY
HELD EACH YEAR
Meeting to Be Held at Taftville Sun-
day Regarding It.

New London Germans are to adopt
the national plan for preserving more
of the German customs. The plan is
to have a German day each year, when
the Germans in this country, in their
own districts, have a holiday, sing-
ing German songs and having
German games.
Another object of the plan is to en-
courage the study and use of the Ger-
man language among German children
growing up here. The language as
far as usage is concerned is being
practically abandoned by Germans in
this country. The plan is to have
German used so that the Germans and
their children here can speak Eng-
lish and German and speak both credi-
tably.

Wednesday evening, Herwegh lodge,
No. 12, G. O. H. S. of New London, dis-
cussed the matter. It was voted to
appoint a committee to meet with
committees from German societies in
Norwich, Taftville, Mystic, Stonington
and other nearby places.
Paul Fendler was named as chair-
man and Anton Bodenwein and Fritz
Vogt were named as the other mem-
bers of the committee. A meeting will
be held Sunday at Taftville. First the
chairmen of the different committees
will meet and then the whole commit-
tee. The result will probably be a
big German holiday, soon.
